🌱 VOLUNTEERING AND LEADERSHIP EXPERIENCE

ICPC Menofia
Community leader
It is a student activity that plans to develop problem-solving skills for students using programming and help them enter international competitions

The Egyptian Collegiate Programming Contest(ECPC)
volunteer
I volunteered as a graphic designer in the Egyptian programming competition for university youth, which is held at the Arab Academy for Science, Technology & Maritime.

The Africa & Arab Collegiate Programming Contest(ACPC)
Volunteer
I volunteered as an organizer in the Arab and African programming competition for university youth, which was held in Luxor and included many Arab and African countries.
